CARE OF TUBERS

Caladium tubers (or bulbs, as they are called) are sensitive to cold. They should never be kept in cold storage. If your bulbs arrive during cold weather, it is important that they be removed from the carton and packing material and spread thinly in trays in a warm location with good air circulation. This handling is desirable at all times.

NAMED VARIETIES	F.O.B. FLORIDA	
	PER 100	PER 1000 (See Note Below**)
Mammoths (3½" up)	\$30.00	\$250.00
Jumbos (2½"-3½")	22.00	195.00
*No. 1s (1½"-2½")	14.00	125.00
No. 2s (1"-1½")	8.00	70.00
No. 3s (¾"-1")	Prices upon request	

*No. 1s are generally the most popular size for counter sales as well as for potting, although some retailers and growers have their own preferences in sizes based on requirements of their trade.

Mammoths and even Jumbo sizes are scarce in some varieties; orders for these sizes will be accepted on availability basis, and should state whether or not next size smaller may be shipped if necessary.

MIXED COLORS, when specified, will be shipped at same prices as named varieties, as such orders are hand-mixed from named varieties to assure good mixture. You can specify preferences in mixture, such as "heavy to whites", "mostly reds", etc.

DELIVERY: December until fall.

Our new crop is available for shipment early in December and usually until mid-summer. However, if your order is placed in January, February or early spring, we can hold stock for shipment during the summer and early fall for fall and early winter pot plants.

**MINIMUM ORDER: 100 bulbs, 25 or multiples of 25 per variety, 250 or more bulbs priced at the 1000 rate. COLOR CHART FURNISHED FREE. With every bulk shipment we furnish a beautiful color chart, which pictures in full natural colors and describes the most popular Caladium varieties.

CALADIUM CULTURE

The Fancy-Leaved Caladium is a tuberous-rooted herb, at home in tropical forests as found in South America. It naturally grows best in warm temperatures and will not perform satisfactorily below 70 degrees. For outdoor planting, the dormant tubers should be set out when frost danger is past. Set them about 2 inches deep and about 10 inches apart, in a semi-shaded location. The soil should be rich, light and well drained. Ideal would be a mixture of 25% old rotted cow manure, 20% peat moss, 20% sand and 35% good loam. Water sparingly at first to prevent rotting, then water freely when leaves appear but never let the soil become soggy. Caladiums can be started early indoors in flats or pots. When 3 or 4 leaves have developed, transplant outdoors or repot adding heavier soil.

FOR COUNTER SALES

Caladium bulbs in our Serv-ur-Self Display Cases make an effective self-selling display. These cases contain a balanced assortment of most popular varieties together with the identifying color pictures. See description and prices on our Serv-ur-Self Cases and also our Caladium picture packages elsewhere in these catalog pages.

We Offer One of the Most Complete

CALADIUM VARIETY SELECTION

Best of the New and Old Favorites

Below are listed those varieties we have in ample supply. Write us if you don't see what you want as we have other varieties in limited supply including Lance and Arrow-Leaf Caladiums. When possible, allow some latitude for substitutions if necessary; this may save time, correspondence and delay in shipping your bulbs. If substitutions are NOT acceptable, please state on your order. Early ordering assures you best variety selection.

AARON. White, dark green border.
ACE OF HEARTS. Low-growing red.
AVALON PINK. White center, red splotches.
CANDIDUM. The leading white.
CRIMSON WAVE. Large crimson, green border.
DR. GROOVER. Excellent low pink; good for pot.
DR. T. L. MEADE. Fine low-growing red.
EDITH MEADE. Low-growing transparent white.
FANNIE MUNSON. Large, beautiful pink.
FESTIVIA. Newer red, for outside and potting.
FREIDA HEMPLE. Good all-purpose red.
GAIL DEE. Full growing, beautiful pink.
ITACAPUS. Low-growing red, heavy leafer.
JESSIE THAYER. Vigorous red; good for potting.
JOHN PEED. Popular red.
KATHLEEN. Low, leafy rose-pink.
LORD DERBY. Transparent, low-growing pink.
MACAHYBA. Bronze, green, red; pink and white spots.
MARIE MOIR. White with red splotches.
MISS CHICAGO. Solid pink with green areas.
MRS. ARNO NEHRING. Low-growing white, pink veins.
MRS. F. SANDERS. Rose on green. Good for outside
MRS. F. M. JOYNER. Colorful and vigorous; white indoors, copper-red outdoors.
MRS. W. B. HALDERMAN. Lt. red, narrow green border.
PINK CLOUD. Mottled pink, crumpled leaf. Popular.
POECILE ANGLAIS. Bushy, low-growing red.
RED ENSIGN. Low, bright red. Full pot plant.
RED POLKA. Red on green. Good pot variety.
RICHARD DECKARD. Coppery rose, crimson ribs.
ROSEBUD. Frosty rose, good leafer.
RUBY SMITH. Magenta; good pot variety.
SCARLET BEAUTY. Outstanding newer red.
SCARLET PIMPERNELLE. Yellow-green, scarlet center.
SEAGULL. Low, leafy white on green.
SPANGLED BANNER. Good low-growing red.
TRIUMPHE DE L'EXPOSITION. Large crimson on green.

FREE CALADIUM COLOR CHART

MAILED UPON REQUEST

With every shipment of Caladium bulbs in bulk, we furnish one of our large Caladium color charts which pictures in full color many of the leading varieties. If you would like to see this chart as an aid to making up your order, please mail a request for "Caladium Color Chart" on your letterhead or billhead.

LOOK TO US FOR YOUR CALADIUM NEEDS

Quality bulbs, true-to-name, proper sizing, good varieties, careful handling and packing, prompt service—these, and not price alone, are the important factors in buying your Caladium bulbs. Over the years, our customers have learned that they can depend upon us to deliver to their entire satisfaction, enabling them to increase their Caladium sales steadily, in line with the growing public awareness of these beautiful foliage plants.

Our sales aid in the form of attractive, full-color labels, eye - appealing picture packages, window streamers, display boxes, are doing an excellent job in promoting interest, sales volume and profits in Caladiums for the Dealer. Place your order early!

Premium Quality **GLADIOLUS BULBS**

*Most Popular and Fastest
Selling of All Flower Bulbs*

Prompt shipments can be made from ample stocks of tested and proved varieties, grown by us the year 'round in large acreages on our North Carolina and Florida farms.

PRICES F. O. B. COCOA, FLORIDA

PRICES PER THOUSAND

SIZES	DIAMETER	1 to 5 THOUSAND	5 THOUSAND & OVER	APPROX. SHIPPING WT. PER 1000
JUMBOS	2" up	\$30.00	\$27.00	120-140 lbs.
No. 1s	1 1/2"-2"	25.00	22.50	80-100 lbs.

SHIPPING DATES: We can make bulk shipments of Gladiolus bulbs the year round. Generally, Gladiolus bulbs are planted commencing early in the spring and successively throughout the spring and early summer. In the deep south bulbs are put on sale commencing immediately after Christmas; elsewhere sale commences later, about 30 days prior to earliest spring planting dates. In Florida, South Texas and the Gulf Coast Gladiolus bulbs can be stocked for sale and planting in summer and early fall for fall and winter blooms. Flowers bloom 60 to 80 days from planting date and can withstand cold but not hard freezes.

MINIMUM ORDER: 1000 bulbs (250 or multiples of 250 per variety). In smaller quantities for counter sales, see assortments offered in our S-U-S Cases.

PACKING: In sturdy shipping containers, gross weight 30-35 lbs. per case, color varieties carefully labelled.

COLOR VARIETIES

Below is a partial list of varieties most generally available from us. To avoid shipping delays, allowances should be made in case of "out of stocks"; substitutions of varieties in colors ordered will be made if necessary, unless instructions to the contrary are received.

ELIZABETH THE QUEEN, Lavender
HARRY HOPKINS, Dark Red
HOPMAN'S GLORY, Yellow
MEMORIAL DAY, Purple
MODERN TIMES, Wine-red

ROSA VAN LIMA, Rose Pink
SPIC & SPAN, Deep Pink
SNOW PRINCESS, White
VALERIA, Soft Scarlet
WHITE GOLD, Deep Cream

COLOR CARDS FURNISHED

for each variety ordered. Colorful window streamers and planting direction circulars also sent with each shipment.

TUBEROSE,

Dwarf Double Pearl

The Dwarf Double Pearl Tuberose produces spikes of waxy white, double flowers, thickly set, and having a permeating sweet fragrance. They should be planted in rich soil after frost danger and given plenty of water during the growing season. They may be started indoors and set out when the weather warms.

Tuberous Rooted **BEGONIAS**

DOUBLE CAMELLIA

Tuberous-Rooted Begonias are fast becoming one of the most popular of summer flowering garden subjects with amateur gardeners in all parts of the country. Their showy blooms in many colors last throughout the summer until frost. As cut flowers they provide spectacular bowl arrangements. They are ideal for pot culture, porch boxes or outdoor bedding. They can be started early in damp peat moss or vermiculite and transplanted to 4 or 5 inch pots as growth starts, or if ground is warm they can be transplanted directly to beds outdoors, in a shady location. Recommended soil preparation: use two parts of good soil and rotted manure, two parts leaf mold or peat moss, one part sand; 3 lbs. bone meal to the bushel of mixture. We stock the most popular type, Double Camellia, in all colors.

DELIVERY: January to April

Size (Diameter)	Per 100	Prices F.O.B. Cocoa, Florida	Per 1000

Minimum Order: 100 bulbs, 25 or multiples of 25 per color; 250 bulbs at the 1000 rate

GLORIOSA *Rothschildiana*

ORANGE-SCARLET CLIMBING LILY

Also known as the Glory Lily, the Gloriosa Rothschildiana tuber produces a climbing plant which grows rapidly four to six feet tall, requiring trellis support. From 10 to 30 blooms of brilliant scarlet and yellow develop from a single tuber. The plant thrives in southern gardens but is also grown in the North in greenhouses, and outdoors in warm locations during summer months.

The tubers should be planted in a bed of rich soil. Lay the tuber on its side with the sprout end about two inches under the soil and the more slender end somewhat deeper. The plant will grow in full sun or semi-shade.

DELIVERY. Year Round

Prices F.O.B. Florida

TWO POPULAR PRICE LINES in PICTURE PACKAGED BULBS

DISPLAY RACK

Designed for outlets having good store traffic, this attractive, all-metal display stands about 6½ ft. high, occupies only four square feet of floor space, yet holds 12-16 dozen "Clear-Vu Jumbo" packages or 15-24 dozen "Big Pak" packages. Each tier revolves separately, which permits "shopping" the display from one position. This effective display for either, or both, "Clear-Vu Jumbo" and "Big Pak", can be used for our spring bulb line and then for our fall line, thus providing nearly year 'round sales and profits. The display rack is furnished on refundable deposit of \$12.00. Deposit is refunded when rack is returned freight prepaid, or when orders for our packages total \$240.00 at wholesale prices, in one season or consecutive seasons. For smaller outlets, an effective display for these packages can be made with peg board and hooks obtainable at your local building supply dealer.
